RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the July 18, 2000, written restriction requirement, applicants hereby elect the invention of Group III (claims 17-20), with traverse. Applicants submit that all groups of invention identified in the written restriction requirement are closely related and, therefore, would require common areas of search and consideration. As a result, no benefit is derived from maintaining a restriction requirement, and withdrawal of that restriction requirement is respectfully requested.

Respectfully submitted,
